Dear Friend,

The Healthcare.gov insurance marketplace opened November 1 for 2020 plan shopping and comparisons. Please note that this year, like last year, the open enrollment period is short and ends December 15. You can visit [www.Healthcare.gov/lower-costs](http://www.Healthcare.gov/lower-costs) to see if you qualify for tax credits that will be applied as discounts on your monthly insurance premium.

I am having a "Congress On Your Corner" Friday, **November 22, from 2 p.m. to 4 p.m.** to provide assistance on the enrollment process, or other assistance with federal agencies and programs, from my District staff. The event will be the **Benjamin L. Hooks Central Library at 3030 Poplar Avenue.**

If you already have insurance coverage through the Healthcare.gov marketplace, your plan will be automatically renewed on December 16 for 2020 coverage, but you should still visit Healthcare.gov to update your information, ensure you receive the full tax credit to which you are entitled, and review different options that may better fit your needs.

Please note the following planned Healthcare.gov website maintenance dates and times when the website will not be available: **Sundays from 12:00 a.m. CT to Sunday mornings at 12:00 p.m. CT, except on December 15.**

If you are on Medicare or if your employer offers qualified health insurance in which you are enrolled, you're already covered and won't need to enter the Marketplace for your health coverage. If you aren't sure whether or not you should use the Marketplace to get insurance, call the Marketplace Hotline at 1-800-318-2598, visit [www.Healthcare.gov](http://www.Healthcare.gov), or you can always call my office at (901) 544-4131. You can also call the Marketplace Hotline or my office to find out if TennCare (Tennessee's Medicaid program) is a coverage option for you.

If you would like to receive periodic e-news updates from my office, please sign up on my website: <http://cohen.house.gov/contact-me/newsletter>. As always, I remain,  
Most sincerely,
